

## December Newsletter

Another busy month at nursery. We have been exploring colours and discovering what happens when we mix the prime colours together.

We had a lot of fun making a large mail box. The children worked together to paint and decorate it, then lots and lots of letters were written and posted to Father Christmas.

We have all been busy making Christmas craft, some clay candle holders, bauble cards with buttons and sparking decorations involving lots of glitter. The children have been learning some Christmas songs, you may have heard them singing some at home.

During "Welcome Time", we have been learning how to have kind gentle hands and how to help our friends. We have introduced some grace and courtesy demonstrations and the children have been practicing how to set the table for snack time. We also continue our PE classed and had lots of fun outside.

Finally, we finished the last week of term baking some vegan Gingerbread cookies and having our Christmas Party.

**So, it is goodbye to 2020!**

And yes, the Christmas Holidays will be a little different this year!

We, on behalf of Privett Montessori Nursery School, wish you and your loved ones a safe, happy and peaceful break and look forward to seeing you in the New Year!

Term restarts on Monday 4<sup>th</sup> January 2021.
